Boston-based; will travel.

She looked around her overcrowded little house, feeling frustrated. "What can I do with all this *stuff*? I don't want to throw away perfectly good items. ***There has to be a better way.***"

## Online Yard Sales: *Get paid to get organized*

Expert seller and **#1 best-selling author Deb Colameta** has **made THOUSANDS** of dollars (and created extra space in her small home) through online yard sales. Using relatable and comical examples, she shares her best tips for how to make money while purging your space. It's **environmentalism** in disguise and helps build community through individual connections.

## BOOK A WORKSHOP

Whether in-person or via video DEBinar (webinar), **Deb Colameta** will bring her best tips and enthusiasm for online yard sales to your organization!
